

G2L5206PTAA

20 ft PS/2 KVM Cable (TAA Compliant)

This TAA compliant cable set connects your PS/2 computers to your GCS1808 or GCS1716 KVM switch determine the quality of communication between the CPUs and the switch. Our custom-made cables are designed to provide the highest signal capacity with the lowest signal loss. This important technology produces the highest quality video output - even after long distance transmission or in the most electronically noisy environments such as server cabinets. IOGEAR's premium custom-made KVM cables guarantee optimum signal integrity for high-grade server needs. The keyboard and mouse cables are made of double-sealed 22-gauge wire and are neatly wrapped with a heavy-duty video cable for simplified connections.

- 20ft bonded KVM cable with PS/2 and VGA connections
- Custom made cables maintain the signal's optimal integrity and quality
- Convenient and functional cable design with double-shielded 22 gauge for keyboard, mouse and a UL-2919 video cable
- Maintain signal's optimal integrity and quality
- TAA Compliant

Requirements

A GCS1716 KVM Switch
Computers with PS/2 and
VGA connections.

Package Contents

1 x 20ft PS/2 KVM Cable
