IOGEAR®

G2L5302P

6' Micro-Lite™ Bonded All-in-One PS/2 KVM Cable

This cable is designed for the IOGEAR Extreme KVMP and MiniView Ultra+ switches to connect to a PS/2 computer, which allows sharing of keyboard, mouse, monitor, speakers, and microphone among multiple computers. (Note: the USB peripheral ports on MiniView Extreme will be disabled when this cable is used.) IOGEAR's All-In-One bonded KVM cables are designed to deliver superb video and audio quality and error-free transmission for your high-resolution applications. These cables feature the latest in design and technologies such as Micro-Lite™ cable technology, an copper shield and an all-in-one bonded structure. They are designed to provide the maximum in quality, performance, and reliability. The thin, flexible cable and the over-sized thumbscrews also make installation quick and easy. These All-In-One Bonded KVM cables are backed by IOGEAR's Lifetime Warranty.

- Designed for the IOGEAR MiniView Extreme KVMP switch and the MiniView Ultra+ switch, and allows sharing of keyboard, mouse, monitor, speakers, and microphone among multiple PS/2 computers
- Innovative Micro-Lite™ cable technology to minimize cross-talk and deliver superb video quality for your high resolution applications
- Copper shield to eliminate EMI/RFI interference and ensure signal integrity and error-free transmission

- Oversized ergonomic thumbscrews make installation quick and easy
- All-In-One bonded cable design eases connections, setups and cable management
- Thin and flexible cable structure saves space and lowers carrying and storage cost
- UL rated materials used to ensure safety, corrosion resistance, and longevity of the cable
- Manufacturer's Lifetime Warranty

Requirements

Computers with PS/2 and VGA connections.

Package Contents

One Micro-Lite? KVM Cable for MiniView Extreme/Miniview Ultra+ series KVM
