

GMP12K

GearPower 12,000mAh Capacity Mobile Power Station

This stylish battery can go anywhere with you. Don't let power hungry apps or streaming video keep you from using your smartphones or tablet to the max when away from your power supply.

USB Battery Charger / Portable External Battery Charger

The GMP12K Ultra Capacity Mobile Power Station is one of the largest portable battery in the IOGEAR GearPower lineup. Boasting a whopping 12,000mAh capacity and featuring dual USB outputs capable of charging tablets and smartphones simultaneously, the GMP12K ensures you will never run out of power when you need it the most!

Nicknamed "The 12K," the Ultra Capacity Mobile Power Station serves as a multi-use battery charger when conventional A/C outlets are not available, storing enough power to fully recharge devices such as iPhone® 5 more than 6 times*. The GMP12K is compatible with most smartphones and tablets including iPad®, as well as handheld gaming systems, digital cameras, MP3 players, etc.

This stylish battery can go anywhere with you. Don't let power hungry apps or streaming video keep you from using your smartphones or tablet to the max when away from your power supply. Connect to the GMP12K and charge your tablet and smartphone at the same time with the dual USB charging ports. This is a must have for anyone with an iPad, Galaxy Tab®, Google Nexus 7 or 10, Kindle Fire HD®, or other tablet device.

Perfect for Students and Power Users

Whether taking notes on a tablet in class or taking the 20th sales call of the day, the big screens and 4G service of today's devices consume battery power like never before. Despite its enormous storage capacity, the GMP12K is surprisingly small (0.94" x 4.75" x 3.19") and the perfect size to slip into a briefcase, backpack or purse, becoming the perfect companion for students, salespeople and anyone who spends their day on a mobile device!

- 12,000mAh super high-capacity Lithium-Ion battery
 - Dual USB outputs: 2.1A+1A allows simultaneous charging of tablets and smartphones
 - Capable of charging iPad®, iPhone®, iPod®, mobile gaming devices, etc
 - Includes Micro USB charging cable compatible with most smart phones
 - Includes USB wall charger and convenient carry pouch
 - Provides fast, convenient charging of almost all mobile devices
 - Perfect for mobile users and business travelers when conventional A/C outlets are not available
 - Built-in short-circuit, over-charge, and temperature protection
- iPad, iPhone, and iPod are trademarks of Apple Inc., registered in the U. S. and other countries.

How does it work?

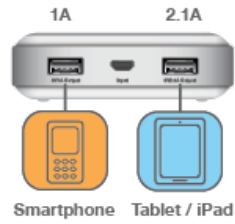

- Connect your mobile device1 to the 1A output port with your USB cable
- Connect a second device2 to the 2.1A output port with your USB cable
- Once charged up, enjoy the freedom of power anywhere

Note: Fully charge Mobile Power Station before use.

Supported Devices:

¹ 1A output port supports: most cell phones, smartphones, iPhones, iPods, digital cameras and most MP3 players and other devices which require 1A power supply

² 2.1A output port supports: iPads, most tablets and other devices which require 2.1A as well as most cell phones, smartphones, iPhones, iPods, digital cameras and most MP3 players

Requirements

- A USB port or wall power outlet to be used with included USB Wall Charger

Package Contents

- 1 x 12,000mAh Mobile Power Station
- 1 x USB to Micro-USB Cable
- 1 x USB Wall Charger
- 1 x Carry Pouch
- 1 x Quick Start Guide
- 1 x Warranty Card
