Expand Your Productivity

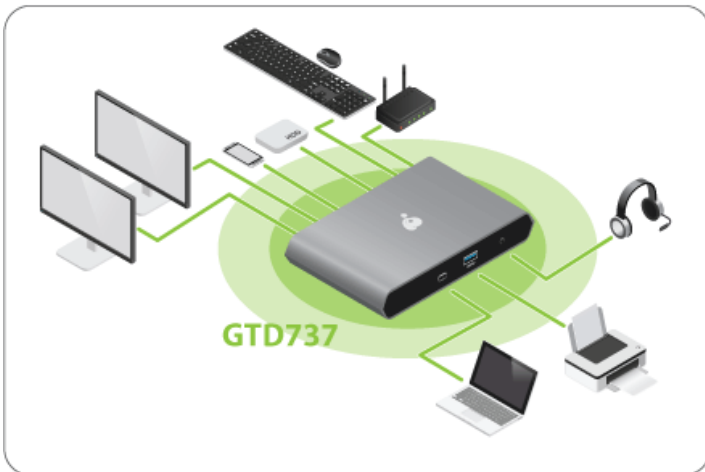

Simplify personal and professional dual 4K workspaces with the ultra-fast connectivity of the IOGEAR Quantum Dual Mode Thunderbolt™ 3 Dock Pro™ Station. Expand to a full workstation with nine (9) additional ports and a variety of high-speed connectors through the single included Thunderbolt 3 (USB-C) cable. Deliver up to 60W of charging power for USB-connected devices and your MacBook Pro or Thunderbolt-enabled Windows system via the included cable.

Dual 4K Resolutions

Professional users who need high-resolution and high fidelity for digital media content will appreciate the Quantum Dual Mode's support for two (2) 4K @60Hz displays through its dual DisplayPorts for all Thunderbolt 3 laptops. Plug in a USB-C device to maximize your productivity on two (2) 1080p @60Hz monitors for maximum real estate.
