

GUC3C4HP

Dock Pro™ 60 USB-C 4K Station with Game+ Mode

- Dock a laptop, tablet, Android™ phone or Nintendo Switch™ via a single USB-C port
- Dock and work on a Samsung Galaxy Note® tablet via Samsung DeX® mode with a keyboard, mouse & monitor
- Connect an HDMI® display/TV to view content up to 4K UltraHD*
- Use as a portable Nintendo Switch dock while traveling
- Charge the host device with up to 60W of power delivery pass-through

One Dock for the Mobile Pro

Designed to expand your mobile work with Samsung DeX-compatible Samsung smartphones, tablets, Android 8.1+ devices, and Windows/Mac OS laptops and tablets, the Dock Pro 60 enlarges your view and supports 4K UHD displays, connects a keyboard and mouse, and charges your device.

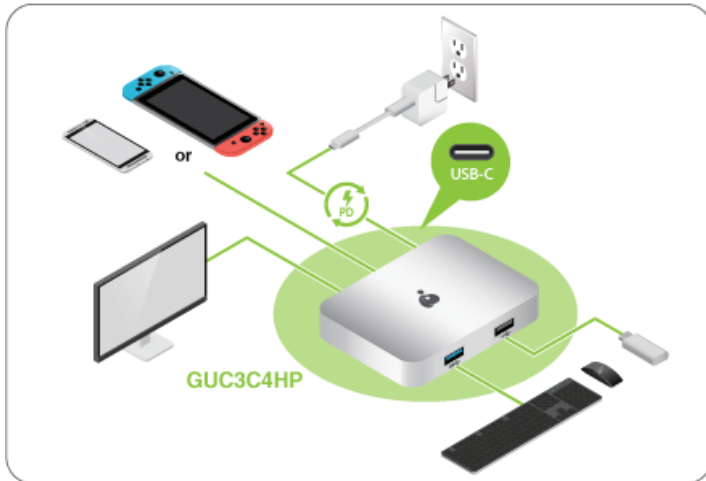

One Dock for Apple Devices

Expand the functionality of your iPad with the latest iPadOS with support for a 4K UHD display, keyboard and mouse to take full advantage of the newest iPad's capabilities. The Dock Pro 60 is Thunderbolt 3 compatible enabling Mac users to connect for a full mobile workstation that fits in your pocket.

One Dock for the Mobile Gamer

Dock, charge with confidence, and view your Nintendo Switch game play on a display or TV while on the go. The Dock Pro 60's small form factor makes it the ideal travel companion for your Switch. Want a big screen game experience while traveling? Connect your Android smartphone to the Dock Pro 60 to play your mobile games on a hotel TV or conference room display!
