IOGEAR GUWAVKIT2 Mac Driver installation

The zip file contains three drivers. Please unzip and install the <u>Wireless USB driver</u> according to your Mac OS version first.

<u>Wireless USB Driver:</u>
MacDrivers_10_5.dmg: for Mac OS X v10.5.8 (Leopard)
MacDrivers_10_6.dmg: for Mac OS X v10.6.4 (Snow Leopard)

When done, install the Displaylink video card driver

<u>Video Driver :</u>
DisplayLink_Video_1.6b2.dmg

Restart your computer to get the optimized result.
